Psalm 100:4-5 (NIV)
**⁴Enter his gates with thanksgiving
and his courts with praise;
give thanks to him and praise his
name.**
**⁵For the Lord is good and his love
endures forever;
his faithfulness continues
through all generations.**

Hello Dear Friends,

As this thanksgiving season approaches, lets approach it with a grateful attitude. I am thankful for all our friends, partners and family that pray for us and support us every month; your support is what keeps Gary Wood Ministries going. We are so thankful for what God is doing in the ministry.

We have several pastors that are calling for us to come minister; we will be starting up full time after the first of the new year. I just got back from ministering this past Sunday in Oklahoma; it was a powerful meeting. One lady was filled with the Holy Spirit! Another lady recently lost her daughter. Praise God I was able to minister to her and assure her what a wonderful time her daughter is having in Heaven.

Lets all keep an attitude of thankfulness, which is not based upon our circumstances, or emotional feelings; but, it is an act of our will. You are where you are Today, because of decisions that you made yesterday. You will be where you are tomorrow, because of decisions you make today, so choose to be thankful. You are one of a kind!

Lift up your hands and shout, “Hallelujah”! Live with joy and peace because you are a child of God. The best day you have is now. Live it to the fullest and enjoy all that God has given you.

Have a very blessed and joyous Thanksgiving!!

**Be Blessed,
Deena & Angel**

Angel would like to assist as many precious children as she can this holiday season through Angel's Kids Ministry. Would you partner with her to make an imprint of God's fingerprint on these little ones' lives by sending a holiday seed offering to Angel's Kids Ministry? If you would like a list of the pastors and churches we support through Angel's Kids, we will be glad to send you one.

Angel's Kids is a 501c3 organization. Join with Angel this holiday season to be a world changer. Make a difference!

Please continue to pray for my mother as she is getting weaker every day. I will be staying home with her during the holidays. Angel and I thank you for your support and prayers during this time. My sweet mother just turned ninety years old on the November 1, 2018.
