

Gary's Good News

Dear Friends,

The **biggest** attack of the enemy
against the Body of Christ is **FEAR!**

That's why the Bible says 365 times, **"Fear Not!"**

Everyone deals with fear, but not everyone conquers it.
God desires for every one of His children to be set free from fear.
2 Timothy 1:7 God has not given us the spirit of fear, but has given us a

spirit of power,
and of **love,**
and of a **sound mind.**

In 2016 let's fear not! Fear and faith cannot exist together. The Word says,
"Out of the abundance of your heart is what will come out of your mouth."

So let's say as Isaiah, the Prophet in 12:2 says,
"I will trust and not be afraid for the Lord Jehovah is my strength and my song."
2016 will be a year of the display of the goodness and faithfulness of our God.

From the Desk of Deena

Hello Dear Friends,

So many good things have been happening in Dr. Gary Wood Ministries in the last few months. People are coming to know the Lord because they sense the coming of the Lord is near. Some bad things may be happening in the world, but God is dealing with the hearts of His people. We have seen some miraculous healings and miracles this past yeara man started walking after having been paralyzed.... several healings of cancer.....God healed a woman's twisted foot drug and alcohol addictions..... Praise God! So many exciting things are happening in the body of Christ!

This is why we travel around the US because of the calling God has upon our lives to wake up the people to let them know that Jesus is their salvation ... to make sure they are heaven bound. I am thankful for all our friends, partners, and family that pray for us and support us every month. Your prayers are what keep us going on the road ministering as God has called us to do.

We want to thank you for helping us to literally reach the world. If you are a monthly partner with us or send any offering, you are part of helping us to win the lost. We currently apostle six churches and we thank you for your prayers as we speak into the lives of the people and the pastors. We have invested our entire lives and finances into helping to fulfill the Harvest, helping to establish churches, publish books, and helping all the people that we can possibly help in all areas of their lives. We also have a Chaplain in Arkansas that orders our books and gives them to prisoners several have written to us how God has turned their lives around. Praise Jesus! If you are not a partner and would like to be a part of what God is doing in our ministry, we would love to hear from you. Most of all we need your prayers! 2016 is going to be an exciting year!

God's Blessings, Deena Wood

PRAISE REPORTS

Dear Dr. Gary,

You have been a God send to my life . I just want to give back to you in some way. I could never thank you or God enough for all you have poured into me during the lowest and worst part of my life. You have sown 50 years into the lives of others, and now God has released the harvest to you all that you've given and all that's been stolen from you is being multiplied back to you. You have not even seen, heard or imagined the harvest that has been revealed to you. All I keep hearing is millions are on the way to you. I have enclosed a gift and seed. I believe in the miracle anointing on you. I honor you as an Apostle and highly esteem the gifts of God that operate in and through you. I believe I am alive for the warfare you did and do for me. Today I am stronger, wiser and more determined than ever to go all the way with God and fulfill the call of God on my life.

As I write this my ears are doing great. The problem was loud ringing in both ears. I went to the top ear specialist in the Mercy Hospital but I got no answers as to why they were ringing. They gave me medication but it did not stop the ringing. The Lord led me early today to call you Dr. Gary and to ask you to pray. I felt in my spirit something very special was going to happen. As you prayed I could sense the presence of God. When you finished praying and you had me say I believe I receive I knew a miracle had happened. The ringing pain had left both ears and the hearing was much better. A very short time later I felt from the inside of me say, you have new eardrums. I thank the Lord and I will always rejoice in this very special day in my life.

Your brother in Christ,

I was watching an old episode of *Sid Roth* with you and Angel. At the end, Angel prayed for viewers with memory problems, then all of a sudden she said, " God is healing a bad headache. "That was me! I love how years ago He had her say that for me today. I never had headaches, but this one started last night and I woke up with it. But Glory to God no pain no more.

Ever since you were with us, our praise has lasted from 45 minutes to an hour and 45 minutes. Since you were here ,we've been preaching on " The Fire Of God and the Voice of God.

I was and had been breaking out and itching for over a month. I had scratched my skin until it literally had a big puffed up circle the size of a grapefruit on my arm with a dark circle around it. I sat during church and right after praise and worship, I felt my arm get very hot. All of a sudden it stopped itching. I looked down and the puffed up circle was gone! No itching! I haven't had one come back since.

I was in your meetings and had back pain for a long time. You prayed for me and I had never fallen under the Spirit before but I did that night. I came back up with no back pain and haven't had any since.
